

# 2019 Workshop Sustainable Finance

May 14<sup>th</sup>, 2019

Vaduz, Liechtenstein

## CALL FOR PAPERS

The Institute for Finance at the University of Liechtenstein is pleased to announce a call for papers for a small and exclusive conference on sustainable finance, which will be held on May 14<sup>th</sup>, 2019 at the University of Liechtenstein in Vaduz, Principality of Liechtenstein.

The aim of the workshop is to bridge a gap between academics and professionals on issues surrounding sustainable finance, with a primary focus on asset and investment management. As such we invite complete empirical and theoretical academic papers, which will be discussed both by an academic and a practitioner. Topics of special interest are, but not limited to:

- ESG related research (integration, materiality, risk relevance, etc.)
- Green bonds
- Low carbon portfolio management
- Sustainable Developments Goals (SDGs)
- Regulatory issues (MiFID II, IDD, Benchmark Regulation, etc.)
- Impact Investing

Papers presented at the conference will be invited for submission to the **Palgrave Macmillan Series “Studies in impact finance”** and to the **Topical Collection “Sustainability in Financial Industry”** of the journal [Sustainability](http://Sustainability).
