<b>Overall impression</b> Description of the stay abroad in 4-5 sentences	The staying abroad in Moscow was a fantastic experience. The university there offered an extremely warm welcome. Moscow is a beautiful city. The university itself was of a high level. This exchange semester was a much needed experience and also a beautiful one.
<b>Immigration / arrival</b> entry formalities, visa	The visa procedure was very easy I took my entrance visa within 48 hours in a very simple process. The university there did all the procedure for prolonging my visa and I just went to pick it up. Perfection.
<b>Room searching/stay</b> Helpful contact information	The moment I had the confirmation of my visa the room in the dormitory was already reserved for me I did not need to do anything except pick up my room keys when I arrived in Moscow.
<b>Public transport</b> Train, bus, accessibility of the university	The metro of Moscow was not only perfectly coordinated but it was some type of museum also. It had endless sculptures and paintings all over the metro.
<b>Preparation for the studies</b> Course registration procedure, language certificate and transcript of records	It was extremely easy all the procedure for the preparation of studies. They advised me and were very helpful. As for the transcript of records it arrived on time.
<b>Information about the university</b> Location, size, infrastructure	It was a very big university, with an amazing infrastructure. It was located on Leningradsky prospect.
<b>Language course visited at the university</b> Course content, benefits	I visited the Russian language which was offered from the University. It was difficult in the beginning because the alphabet is not the same.
<b>Studies at the university</b> Course content, credits, exams	The courses in the university were similar with my home university and the credits also approximately the same. The examinations were also very clear in terms of what should be studied prior to them.
<b>Support at the university</b> Student counseling, International Office, Buddy, student contacts	The support in the university was beyond fantastic. The international office helped for all the visa procedure. The buddy was contacting me all the time for everything I needed and the students were very friendly all the time.
<b>Budgeting</b> Cost of living, study materials, money transfers	Moscow is an expensive city. The best thing was that for the dorm I had to pay approximately 30 Euros! This was just amazing. As for the study materials they were not expensive.
<b>Life / Leisure</b> Places to meet, sports, culture	Moscow is the center of culture of Eastern Europe. It had a lot of museums, parks everywhere, clubs, bars and a large variety of food. The university had a swimming pool and a gym and also everywhere you could be apt of sport clubs.
<b>Comparison of universities</b>	The way you can find a house, for the students in Moscow is already reserved in the dorms the moment you are part of the university. The cost of the house is only 30 euros.

What is better / worse at the partner university than at the University of Liechtenstein

The visa procedure is so easy and everything is done by the university. The support during the studies is higher in Moscow and foreign students are helped so much to understand and to be part of the system. Students that do not speak Russian are treated in an extremely good way in Moscow.
