Series of lectures on current developments in Asset and Investment Management. Exchange of ideas amongst professionals of Corporations, Banks, Asset Management, Investment and Insurance Companies, Financial Advisory Services, Tax Administration, Lawyers, Trustees, Fund Managers and Financial Auditors.

Abstract

Green Eight Capital is a mission-driven private markets investment firm. The company acts as a partner to cutting-edge aerospace and defence companies. Green Eight Capital's Aerospace Innovation Fund intends to address a global need for reconstituted supply chains, resilient industrial bases, and foundational technologies with the aim of delivering positive impact and generating competitive financial returns for clients. In the case study on thematic private equity strategies Matthew will highlight the investment opportunities within aerospace and adjacent industries and walk through a typical investment case.

Main Speaker

Matthew Porat, Partner and Head of Investments at Green Eight Capital is a Partner and Head of Investments for Green Eight Capital. Prior to joining Green Eight in 2022, Matthew was a Senior Investment Associate at Citadel, investing in semiconductor and industrial technology companies. Matthew previously covered Aerospace and Defense at Goldman Sachs in its Global Investment Research division. He began his career working for the US government in the Office of Development at the former US Information Agency, now called the Broadcasting Board of Governors. Matthew received a B.A. in International Politics and Economics from Middlebury College.
